

# AMDCF For Advent!

Disabled children in Sierra Leone face incredible challenges in a country where even able bodied people have a very difficult time getting by. AMDCF offers financial help in educating these often-overlooked children.

As you'll see below, very little can go a long way toward helping children in need. And your contribution is tax deductible. (AMDCF is a registered non-profit.) We have more information about these children available in the narthex, please take a sheet home with you!  
(You may also find the information and children's profiles online, [here](#).)

Please fill out this form and drop it with your **check made out to AMDCF** into the collection plate during any Sunday in Advent.

Or you can *mail it* to: AMDCF, 1702 Meridian Avenue, Suite 322, San Jose, CA 95125.

Need	Support level	Quantity	Subtotal
Tuition, Uniforms, supplies for one student for <b>ONE YEAR</b>	\$150
