

Alternative Gift Faire 2016

This alternative holiday "Shopping List" lets you give a special gift like you've never given before. In honor of someone you love, you can give hope to someone in need.

1. Learn about each of the projects we sponsor. There will be literature available during Fellowship Time on November 20th, and we encourage you to ask questions.
2. Select the gifts you would like to give.
3. At our table, fill out your shopping list, including your name. This is very important because it helps us to ensure that the gifts go to the correct places, and that you receive a receipt from the church.
4. Take your list to a cashier to make your purchases. **Please make your check payable to CUMC.** (Do not make out a check for each gift. We will total the amount using the shopping lists.)
5. The cashier will furnish gift cards, envelopes, and gift description cards.

Your gift is now ready to give!

(If you prefer to shop by mail, please turn to the back of this form. Fill out the center section, and mail this form to the church office. We will mail your gifts cards to you!!)

Gifts of any amount are gratefully accepted. Prices are for information only.
Please turn to back page if you wish to place your order by mail.

Gift
Church World Service

Cards **Total \$**
